Developed to overcome the hassle of a narrow doorway.

The mechanical part of the unit can be separated from the electronic one: this reduces the main cabinet by 20 cm!

G-Snack Design 8 Master

G-Snack Design Snacking, Solved!

THE COMPLETE SOLUTION

Our evolutionary snack machine presented with a new look.

A spacious and brightly illuminated showcase enhances the product display.

An innovative capacitive key pad with back lit numerals provides high visibility in light and dark places. New user friendly features offer a large display in blue characters with a new easy door latching system. New software features include shelf detection and secure vending function.

Slave versions are now available to operate with G-Caffè, G-Drink DESIGN as well as G-Snack DESIGN for further versatility.
